

Hello Nursing and Midwifery Health Program Victoria,

Not all heroes wear capes.

From ME to you, we just wanted to say congratulations on being nominated for **HESTA Australian Nursing and Midwifery Awards - Outstanding Organisation**, and to say thanks for going above and beyond.

ME is a bank that's been helping Australians get ahead for over 25 years, and we're proud to be supporting people like you who do the same - making a real difference in the lives of ordinary Australians.

This year's hero can be next year's superhero.

Being a finalist shows you've got what it takes to win – and you can still apply next year. If you do win, you'll get more than just acclaim: you'll also win a grand total of \$10,000 as part of your award, courtesy of ME as major sponsor of the HESTA Awards.

Once again, congratulations – we look forward to seeing your name again in 2022.

Thanks,

Adam Crane

ME CEO
