

Nursing and Midwifery
Health Program Victoria

Our Shared Values

Our Vision

Healthy and safe nursing and midwifery professions.

Our Purpose

To ensure Victorian nurses, midwives and students of nursing/midwifery who require assistance with their sensitive health issues have timely access to free, confidential and independent support, led by nurses and provided by nurses.

Our Mission

To provide a profession led organisation which is committed to the health, well-being and resilience of Victoria's nurses and midwives.
